

World Cup Goals for Kids

Goals for Kids is a simple, **fun** way for you to join in the excitement of the 2010 FIFA World Cup in South Africa and make a difference in the lives of vulnerable young people at the same time.

To play simply pick a team from the tournament and pledge a donation for each goal they score during the tournament, generating funds for a local organization of your choice that is using soccer as a tool for positive youth development.

The Urban Soccer Collaborative is a national network of over 60 organizations working to use the power of soccer as a force for positive change in vulnerable young lives and the communities they live in.
