

Publicity Photo and Video Opt – Out Form

2012 Fall – 2013 Spring Seasons

Dear Parents/Guardians:

The Virginia Legacy Soccer Club recognizes the need to protect children's privacy when promoting the activities within the organization. Publicity of the club occurs in forms such as pre-arranged media visits to practice session and games; the inclusion of club activities on the club's website; the distribution of photos and information to local media outlets; and publication of photos in various informational printed brochures.

With each player's privacy in mind, the club wants to ensure parents have a choice about allowing their child to be involved in such promotional efforts.

PLEASE NOTE: It is assumed that any student who signs up to participate in any activity with the Virginia Legacy is giving their permission to be included in VLSC publicity effort.

Please check ONE of the following boxes and return it to the Legacy office.

YES, my child CAN be included in your publicity effort and be photographed and/or videotaped.

NO, I do not wish for my child to be included in your publicity effort, nor do I wish him/her to be photographed and/or videotaped.

If we DO NOT receive this signed form from you, the Virginia Legacy will assume that it may use your student's name and image in publicity materials.

PLEASE ALSO NOTE: Signing and returning this document applies only to external publicity efforts. It DOES NOT exclude your child's likeness from team photos or pictures other parents may take at Legacy events.
