Please see Description of "**TBD**" after you have looked at Coaching slate

In age groups where there is a "**TBD**" indicated, this means that the club is committed to fielding a team, but that a final decision will be made based upon player numbers and player commitment.

We have coaches lined up to take the "**TBD**".

Teams will be finalized once the staff has determined that there are sufficient numbers, interest and commitment by the players to warrant forming the team. At these ages and levels, the commitment to travel soccer can often be inconsistent and we want to make sure the team we form is up to the challenge.

In addition, as we consider these factors, we may decide that combining age groups is the best way to ensure a committed and competitive team.
