

Summary of Florida

Tuesday started off early because we had to be at the airport at 4:30. After some pictures and lots of goodbyes, we were off to Florida at 6. We had a scrimmage later that night against the Clearwater Chargers. We won 2-1.

Wednesday was our first full day in Clearwater. In the morning we went to the beach to do a light training session. Then it was off to the Aquarium! We had another scrimmage that night which we won 2-1. The next day we spent at the beach having some fun and trying to get rid of our farmers tans. Friday was the beginning of our tournament. But before

we played, we had to go to the laundry mat to do our laundry. Then, we were ready to play, which resulted in a 2-1 win over Wisconsin.

Saturday was easy with an 8-0 win. Then Sunday came, with a game against our hardest team. (Clearwater)

At the end of the game it was 2-2, which meant overtime. At the end of it, it was still 2-2. So we had to do PK'S. In the end, we were down by one, which meant 2nd place. We were very proud though.

This trip taught me some new skills and plays. I learned alot and I had a ton of fun.
